

UPDATE INSTRUCTIONS

Versions 5.00.00 and above

1. Exit out of Printer's Plus on all computers.
2. At the main Printer's Plus computer, click on the update link to download and run the update.
3. When prompted for Server or Client components, choose Both.
4. Follow the on-screen prompts to complete the update.
5. If you have additional workstations, right-click on the Printer's Plus icon and then click on Run as Administrator.
6. You will be prompted to automatically update to the latest version. Answer yes and follow the on-screen prompts.

If you have any questions regarding the update, please forward them to us via email at **support@printers-plus.com**
